---

### Occupiers Journal Ltd.

The vision of *Occupiers Journal Ltd.* (OJL) is to build the most efficient and effective global learning network for occupiers (real estate “end users”) to engage in sharing data, knowledge, experience and case studies with other occupiers, in a confidential non-commercial environment, through global studies and locally-facilitated workshops delivered by trusted independent advisors (Regional Partners) in all parts of the world.

**Jim Ware** serves as OJL’s Global Research Director; he is a co-founder of the firm, along with **Paul Carder** (UK) and **Marcus Bowen** (Hong Kong).

Occupiers Journal is the editor and publisher of the highly acclaimed journal [Work & Place](#). [Contact me](#) if you are interested in submitting an article for possible publication

---

### FutureWork Forum

[The FutureWork Forum](#) is a global think tank of about two dozen independent consultants devoted to reviewing, researching, reporting and responding to issues around the future of work. FutureWork Forum partners use their knowledge, experience and unique access to help organizations in both the private and public sector solve tomorrow’s work problems today.

**Jim Ware** is [an active Partner](#) in The FutureWork Forum. Be sure to [check the website](#) for access to many free reports and newsletters related to the future workforce, the future workplace, and advanced technology applications..

---

## [Collabworks Thought Leader Team](#)

The Collabworks Thought Leader Team captures the advice of experts in the management of people and the work they perform. Members of the team will be publishing and speaking about WaaS™ (Worker-as-a-Service™). Topics the team addresses include: people-related strategies, return on people, leadership at all levels, blending dedicated and contingent workers, optimizing talent, the long tail of innovation, and value-based decision making.

---

Please also visit “[Other Resources](#)” to learn about other specialty firms we collaborate with frequently.
